Hi Lorena,

I had a great meeting with Jonathan. Thank you for making that suggestion.

Attached is an outline of my pitch. I cribbed a little bit of it from a presentation that the Brookings Institute think tank did for the city of Providence, Rhode Island.

I've also attached that presentation. It is a must-read for everyone involved with trying to develop our community. We are actively courting the Brookings Institute to do a similar study for San Pedro.

Thank you and see you tomorrow.

Best,
Jack
